

A yellow Lotus Evija electric sports car is shown from a rear perspective, driving on a paved road that leads towards a dramatic mountain range. The car's distinctive four circular taillights and the 'LOTUS' branding are visible. The background features a large, craggy mountain peak under a sky with soft, diffused light and wispy clouds. The overall scene conveys a sense of adventure and performance.

AGS Manufactures & Supplies

See The World With Security

We founded AGS Manufactures & Supplies out of a pure passion for people. Our goals, ambitions and inspirations have come together to form a truly amazing company that all of us are proud to be a part of. Since opening in 2020, we have become masters of our craft. We go above and beyond to ensure you're satisfied and will work with us again. Your satisfaction is our Ultimate aim and true profit.

Key Features

- 1): Casting Aluminium Alloy Housing
- 2): PC Cover
- 3): High power LED with High quality
- 4): The high performance of 100% waterproof, dustproof quakeproof.
- 5): Double insulated silicon rubberized wire
- 6): Beam: Arc beam
- 7): IP:67
- 8): Warranty: 1year

9): [LED] Osram high power LEDs 40W

10): Voltage: 10~80V DC

11): Colour - Red

12): Life Time:>50000 Hours

13): Working Temperature: -45 ~85°C
